Dr. Ilaria Mazzini / Eng. Francesca Trapasso	Mr. Francesco Versino		Sediment preparation	Unconsolidated sediments (soaking, sieving > 125 μ, oven drying)	Prices are intended for sample and for external collaborations. Minimum quantity of analyses requested: 5 samples. Ad hoc discounted price quotations can be requested depending on the number of samples	Prices can change depending on the type of sediment, any additional preparation technique needed and the requested detail of the micropaleontological analyses	<ul style="list-style-type: none"> • Internal service (CNR researchers and associates A+B+C): 10 no VAT (transfer of funds) • Public institutions and Univeristies : 15 +VAT • Third party: 25 +VAT
				Poorly consolidated sediment (soaking in diluted hydrogen peroxide, sieving at fixed meshes > 63 μ, oven drying)			<ul style="list-style-type: none"> • Internal service (CNR researchers and associates A+B+C): 10 no VAT (transfer of funds) • Public institutions and Univeristies : 35 +VAT • Third party: 50 +VAT
				Consolidated sediments (chemical treatment (acetolysis, sieving at fixed meshes > 63 μ, oven drying)			<ul style="list-style-type: none"> • Internal service (CNR researchers and associates A+B+C): 20 no VAT (transfer of funds) • Public institutions and Univeristies : 40 +VAT • Third party: 60 +VAT
		Zeiss Stemi 2000-C microscope, Leica MZ6 modular stereomicroscope	Micropaleontological analyses (Ostracods)	Qualitative (occurrence and species list)			<ul style="list-style-type: none"> • Internal service (CNR researchers and associates A+B+C): 30 no VAT (transfer of funds) • Public institutions and Univeristies : 50 +VAT • Third party: 60 +VAT
				Quantitative (picking of 300 specimens, when possible; occurrence in each sample and species list)			<ul style="list-style-type: none"> • Internal service (CNR researchers and associates A+B+C): 65 no VAT (transfer of funds) • Public institutions and Univeristies : 110 +VAT • Third party: 130 +VAT
